- Money
 - Rob has spent just under £400

 - Vamsee to ask friend about cheaper car rental.
 - about 4-500 left for things (more damage etc)
 - Grant hasn't come through yet, don't know how much we'll get.

- Stash Should be delivered 12 dec to sports centre

Leave around 9 to get there for 1 (2.5 hours drive + parking extra since construction)

Jack can drive there but not back; potentially Jack drives back to Cam with bows but not people
Probably have Vamsee, Rob, Werner driving (tbc)
- Socials
Pizza on 7 november
Bar crawl at 8 on Wednesday after shooting, Vamsee will sort.
Christmas dinner maybe, probably at Mee&I
Fitz formal next term?
Offer of Homerton formal up to 11 people
Christmas fun shoot on the last friday session. Vamsee to get about £10 for balloons/sweets etc to shoot
- Planning for end of beginners course
People who've missed two sessions - if you miss multiple ones don't give certificate. They get told to email beforehand, so if they don't tell us first then that's fair.
Last beginners session (7), can join as members for £5. will get certificate to show completion.
Don't have proof for later on of who's completed beginners course, we should do this so we can confirm who's completed in a few years if they want to join us/other club and lose the card.
- Novices
Need to have a plan for each week, Nancy/Omar/Matt to write something out for next term.
Need to stress taking care of equipment as some new stuff has already been lost.
E-league published tomorrow - first time we've had novice scores in this term.
Might take more novices next term, depends on bows.

- Equipment needs

Rob's finished rotations so should be able to sort stuff out now - some bosses need rotating in range.

Eleanor has a couple armguards to re-sew, and has more wood for the frames, will make this week hopefully.

We've skipped two straws from sports centre, so need to move one or two damage from the range to sports centre, also take the two layeblack foams to sports centre and put in that skip if need be.

- Clickers Trip

They'll be open late one evening; they'll pick up at station (train tickets about £10 return) and likely also provide pizza. Plan for Tues 29 November instead of novice squad.

- Proctor registration

We should be registering with them this year, go to other system next year. Eleanor to chase if they don't email soon.
