

The 57th Archery Varsity Match

The results of the 57th Archery Varsity Match held on the 13th May 2006 on the backs of St John's College, Cambridge, are enclosed.

Conditions were variable though generally good with only the occasional short shower interspersed with sunshine. The match was tightly fought with Cambridge eventually winning with a score of 3299 and Oxford close behind on 3233. Congratulations go to all those who achieved Half Blues. The novice plate was won by Oxford with a score of 2596 to Cambridge's 2469.

We would like to thank Eric Jackson for judging the match, our lady paramount Pamela Custance-Baker who along with James Pawley did a fantastic job checking score sheets and St John's College for letting us use their grounds.

We hope a good day was had by all who took part.
